## From the Desk of Lucia Garcia, Programs Director

In just a month our youth will start heading off to summer camp! We are excited to partner with Camp Bob Waldorf and YMCA's Camp Whittle again this summer to offer their overnight, weeklong camps to 80 children.

Our partnership with Camp Bob Waldorf's staff has grown this last year as they have welcomed our staff and parents of last year's campers to information sessions and family preview weekends on site at their location in Glendale. The Waldorf staff has even come to volunteer to help serve breakfast to our guests experiencing homelessness on site at St. Francis Center.

Camp Bob Waldorf offers an engaging lineup for youth including basketball, archery, a climbing wall, high ropes course, arts & crafts, drama, singing, dance, horseback riding, hiking, farm-to-table cooking, and swimming.

Our campers also look forward to an array of activities at Camp Whittle in Big Bear including human foosball, sand volleyball, a climbing wall, zip line, high and low ropes courses, rock climbing, a water slide, kayaking, swimming, paddleboarding, banana boat rides, and horseback riding.

We also will offer a nutritious cooking camp on site through Leah's Pantry, Create Now Art Camp, field trips to the beach and local museums, but will focus most of our resources on overnight, weeklong camps.

**Our goal is to remain true to our history of providing fun and meaningful camps that instill in our children an appreciation for nature, encourage growth in their ability to make sound, independent decisions, develop new skills and make lasting friendships.**
